## Annual A.L.P.A.C.A. Odyssey Show

Judge- Kristin Buhrmann, Pincher Creek, Alberta, Canada

Thursday, November 5, 2009- move in

Saturday & Sunday , November 7 & 8, 2009 - Alpaca Show

---

### BANQUET

Saturday Evening @ 5:30 P.M November 7, 2009

For dinner tickets, please go to [www.FarmFairInternational.com](http://www.FarmFairInternational.com)

---

### GUEST SPEAKER

C. Norm Evans, DVM, Florissant, MO, USA

Friday & Saturday afternoon, November 6 & 7, 2009

Norm Evans, DVM has worked with camelids for twenty three years and has a 100% camelid practice. With an existing background in large animals, he brought to the industry an interest in herd health and nutrition and its effect on growth, reproduction and fiber production. He has published 3 Veterinary Alpaca Field Manuals and has conducted numerous seminars in the US, UK, Canada, and Japan. His Veterinary Field Manuals and seminars are geared to basic issues encountered by alpaca breeders and their veterinarians. His major focus the last five years has been the identification of male and female genetic traits through the skin biopsy and the propagation of those traits via nutrition to maximize fiber production.

To register for the Seminar with Dr. Norm Evans, please go to [www.FarmFairInternational.com](http://www.FarmFairInternational.com)

---

### SEMINARS

**Morning session:** Breeding Thru Birthing & Mother and Cria:

Dr. Evans will discuss selection, breeding protocols, pregnancy monitoring, birthing issues, cria assessment and mother assessment. Special considerations are offered for the weak cria and the stressed mother.

**Afternoon session:** Detailed Steps in Breeding Selection to Maximize Fibre:

This seminar involves interrelationships of picking genetics, nutrition, and controlling stresses for the breeder to maximize fiber production.

**Post Seminar:** How to Produce Fibre that Judges will Reward:

Will follow the above seminar and show via the fiber biopsy several strong genetic fiber traits passed by the male and by the female and the owner management that is necessary to maintain value of the breeding fee.

---

### HOST HOTEL

Chateau Louis Hotel & Conference Centre, 11727 Kingsway, Edmonton, Alberta T5G 3A1

Toll Free : 1-800-661-9843 Local : 780-452-7770 Please quote # 0911ALPACA when booking

# *W*elcome to our 4th A.L.P.A.C.A. Odyssey Female Sale.

**A.L.P.A.C.A.** was established in 1996. We are an enthusiastic group of alpaca owners who collectively promote the Canadian alpaca industry, the well being of alpacas and the appreciation of their fibre. Our purpose is to create an environment for small and/or large producers with equal opportunities in today's ever changing market. Our club has a membership of approximately 40 farms.

We are proud to be offering 21 top quality female alpacas from consignors from the three western provinces: British Columbia, Alberta and Saskatchewan. These excellent females were selected by a special committee for their conformation and fleece qualities. As you can see, there is a good variety of color to choose from. All alpacas will be veterinary checked for breed standard disqualifiers the day prior to the sale. They are also all guaranteed by the owner to be reproductively sound.

Last year's sale was broadcast live, via internet, with Western Livestock Exchange [www.wlex.ca](http://www.wlex.ca). We were very pleased with the results, so Mark Shologan from WLEX will be back again this year. There will be a parade of the sale alpacas at noon on Saturday, November 7th and Mark will be broadcasting this live, so you can preview the animals prior to the sale. Sale time is set for 8 P.M. on Saturday, November 7th, 2009.

See you there... but, if you unable to attend and would like to bid, you may contact Mark Shologan from WLEX – at 780-699-5089 for phone-in bidding or internet bidding.

The sale is being held in conjunction with our annual A.L.P.A.C.A. Odyssey Show and the Alpaca Canada AGM and Conference and the Canadian Llama & Alpaca Association AGM. This show is one of the largest in Canada and this year, by combining it with the sale, we anticipate it will be even larger. There will be Halter classes, Get of Sire, Produce of Dam and Breeders Best 3 competitions. We are also giving out prize money to 5th place as well as Championship classes.

*Please join us for 3 full days  
of Alpaca fun!!*

*Visit our website [www.alpaca.ca](http://www.alpaca.ca)*

# Terms & Conditions

Hereinafter, the Alpaca Livestock Producers and Co-operators Association sales committee will be referred to as the Sale Management.

1. *It is clearly understood that the Sale Management is acting only as an intermediary between Buyer and Consignor and is not responsible for any failure by either party to live up to its obligations. Sale Management assumes no responsibility, liability, obligation, duty, either singular or plural and make no warranties as to title, or quality including but not limited to health, blemishes, defects, soundness, or any other conditions of entry, and makes no other kind of warranty whatsoever.*
2. *Neither the Auctioneer, Sale Management, or any agents make any representation or warranties whatsoever with respect to the sale alpacas. All representations contained herein are made by the seller only.*
3. *The sale and all transactions between the Buyer and the Seller will be governed by the laws of the Province of Alberta.*
4. *The highest bidder is to be the Buyer and if any dispute arises between two or more bidders, the alpaca in dispute shall immediately be put up again for advance bids. If there is no advance, the alpaca shall go to the person whom the auctioneer recognized as having the last bid. The auctioneer's decision shall be final. The auctioneer reserves the right to reject any or all bids. Bidding will be carried out in Canadian dollars.*
5. *All information listed under "Consignor notes" is supplied solely by the consignor.*
6. *When an alpaca is sold, the Buyer shall sign the "Acknowledgment of Purchase" form. Title passes when a buyer signs the acknowledgment at which time all risk and responsibility for the alpaca passes to the Buyer.*
7. *All Alpacas will have been Veterinary inspected and will have a signed Pre-purchase form available.*
8. *Terms of the Sale are cash and payment in full must be made to the cashier immediately after the sale. Valid personal cheques will be accepted with proper identification.*
9. *If any person shall purchase a lot and not pay for it as described above, the Auctioneer and/or the Seller shall have the right to resell the lot or, at their option, bring action for specific performance, in which event the buyer agrees to pay all costs of such suit and reasonable attorney's fees. In the event of resale, the defaulting Buyer agrees to pay all cost of resale plus price deficiency.*
10. *Every effort has been made to assure correctness of the catalogue, however the Sale Management is not responsible for errors or omissions. Any known corrections shall be announced at the sale. Prior to printing the catalogue, you will have the opportunity to proof read the information on your alpaca.*
11. *Statements made from the Auctioneer's Box shall take precedence over any and all statements made in the catalogue.*
12. *Any person attending the auction does so at their own risk and no liability, duties, obligations, and/or responsibilities shall be imposed upon the Sale Management or Auctioneer for any accident, injury, mishap, theft, damage, and/or any other harm regardless of the source of imposition.*
13. *The Seller warrants that their alpaca is free from any encumbrances whatsoever.*
14. *The Sale Management reserves the right to withdraw any alpaca from the sale without liability to anyone.*
15. *All registration certificates will be withheld by Sale Management until all checks clear the bank. At such time they, along with the transfer fees, will be sent to the appropriate registry.*
16. *Foreign buyers must contact Sale Management regarding quarantine and export of alpacas.*
17. *Canadian buyers planning to board their purchases until a later date, must make arrangements with the previous owner or the Sale Management.*

*We'd like to thank our valued consignors*  
 who have so generously offered their best alpacas to the  
 4th A.L.P.A.C.A. Odyssey Female Sale.

# Saints Alpacas Belicia

Female Huacaya Fawn D.O.B.: 07/31/08

*Saints Alpacas Belicia was our best cria born in 2008. She has amazing high frequency crimp, sound conformation and a stunning head. Her parents have passed their award winning genetics onto Saints Alpacas Belicia and she has done really well in the show ring. As soon as she was born the first thought that came to mind was "WOW" and as she has matured she has truly amazed us. This girl has it all! Genetics, density, fineness, high frequency crimp, large bones; perfect conformation, pleasant temperament, beautiful head! And did we mention she is also 1/2 Peruvian? This is a GORGEOUS female and we are so excited to offer her to the 4th A.L.P.A.C.A. Odyssey Sale. AWARDS: 2009 Reserve Grand Champion Fawn Female- A.L.P.A.C.A. Spring Show. Belicia will be bred to our Grand Champion Male High Plains Auro for a 2010 cria.*

# ELAL Sylva

Female Huacaya White D.O.B.: 06/24/08

*ELAL Sylva is a beautiful girl comprised of fantastic bundles of crimp with extreme fineness and uniformity. She is the daughter of ELAL Cadena and Cperuvian Aldo. ELAL Cadena has proven that she has what it takes to pass on the award winning genetics of her heritage. ELAL Sylva's sire, Aldo, is an original import and has proven himself to be honorable to his offspring by producing supreme champions several times over. At fourteen years of age he still carries beautiful lustre and very extreme density. ELAL Sylva also carries these same qualities within and throughout. She has that desirable full-face coverage and long silky locks of lustre. This is the type of white fleece that produces the finest marketable products that are worthy of putting your name on. ELAL Sylva is a true emblem of "A real Girl Teddy Bear."*

# Lotus Leaf

Female Huacaya Medium Brown D.O.B.: 06/10/06

*Lotus Leaf is a beautiful, young female who has fantastic conformation and a fleece with great density. Lotus's fine, dense fibre and well-built structure easily demonstrates the quality of her exceptional genetics. With NGQ Lionel as her grandsire and Rockwell Brew as her sire this is an excellent opportunity to add extraordinary lineage to your herd. Lotus Leaf is being sold with her 2009 female cria Avanna Brew who is sired by Tell Lazarus. Tell Lazarus is a solid brown full Peruvian grandson of both Vaccoyo and Alpamayo, a fusion of Canada's two top Peruvian bloodlines. Lotus Leaf is bred to Tell Catapult and is expecting cria in June 2010. Tell Catapult is an awesome Ledger son. Tell Catapult attended the 2009 Futurity in Red Deer and placed 1st in his class. Lotus Leaf and her 2 offspring will be an excellent additional to your herd.*

# Tell Hope

Female Huacaya Fawn D.O.B.: 06/12/08

*Coming to you from Rollyview, Alberta, consigned to the Female select sale by Sunnyhill Alpacas is the very beautiful Tell Hope. Look at her top line and balance, she is perfect, she has a correct bite and big brown eyes. Hope has excellent density, decent crimp and a good staple length, her fleece is fine and a solid color. Hope has decided that she is ready to start a family, we chose to breed her to our Grey Macho High Plains Elvis, he will compliment her by adding bone density and the very famous High Plains head style. Elvis is a very impressive male, for a grey male at 3 years old his fibre stats are AFD-21.7, SD-4.9, CV-22.8% Comfort Factor 95.0%. For complete details on Tell Hope and her service sire High Plains Elvis visit our website [www.twofarms-onevision.com](http://www.twofarms-onevision.com). # River Rock Aubrey

Female Huacaya Fawn D.O.B.: 07/02/07

*Aubrey is a very sweet, 2 year old light fawn female. She has inherited a fantastic fibre which is fine, yet still dense with excellent character and staple length throughout. This is no surprise as she has a superb genetic background which goes back to Alpamayo, Rockomundo, Batido and Guellermo. Aubrey's dam (MCD Angel) still exhibits an amazingly fine, high frequency crimped fleece with a micron count of 20.05 at five years of age. Aubrey is bred to one of our up and coming studs, RRAA Avrek. Avrek is a Peruvian Captain Nemo son who exhibits exceptional brightness, fineness and density in his fleece. Add in her solid conformation and our full farm gaurantees and this female would be a great asset to any breeding program.*

## DEA Marika

Female

Huacaya

Fawn

D.O.B.: 06/01/08

From the day she was born, Marika showed that she was a special young female. Her beautiful fawn color and pretty feminine head caught our eye each time we scanned our cria. As she matured, her fleece became exceptionally long with high frequency crimp. As her second fleece grows out it has a soft, silky feel. Marika's fleece was tested in Australia using the GIFT testing and analysis service. This showed a 1.1 micron variation from shoulder, mid side and hip areas which makes her highly suitable for reducing fibre diameter variation across the fleece. The analysis also showed a .5mm per day growth of her fleece, higher than any other alpaca in our tested herd. Marika has an impressive pedigree with her lineage tracing back to Jolimont Peruvian Ringo and Jolimont Peruvian Pauco on the top side and Jolimont Peruvian Alpamayo and Peruvian Bonanza on the bottom side. Marika matured early and was bred to Aztec Ignite, our S. Accoyo Arctic Ice son, for a June 2010 cria. Our first Ignite cria have arrived this year and they are impressive. This is your chance to bid on quality genetics in a young quality female.

# ELAL Cadena

Female Huacaya White D.O.B.: 07/16/05

*Cadena is 4 years old and is the daughter of Tina and Anderson. Her mother, Tina, is sired by Armani P29 who was a Peruvian Import with extreme density, fineness, and large bundles of curls. He was straight and solid in his stature; a real macho in his time. Cadena's sire is Anderson who is 9 years old and maintains his honorable fleece quality of fantastic density and bundles of crimp. His offspring have proven to be of excellent quality as has been exhibited in the show ring. To his credit they have achieved many 1st and 2nd ribbons, including Supreme Champion Fleece award; himself standing as Reserve Champion. Cadena is being presented in the same truth. Her fleece is very dense with uniform, crimped bundles. In her solid bone structure she stands correct. She is a very good mother with a quiet disposition, an easy birther and has lots of milk. At present she is bred to CPeruvian Aldo to give a June 6, 2010 baby.*

# Chickadee Ben

Female Huacaya Brown D.O.B.: 06/27/07

15

Chickadee is an attractive female with typy conformation, solid bone and excellent overall coverage from ears to toes. Her fibre is very dense with a medium bold crimp type and shows very good length. Excellent genetics in this girl with Rocamundo on her sire's side and Peruvian Captain Nemo and NGG Lionel on her dams. Her Sire: Rockahn is an offspring of Rockamundo who has crimped fibre with great length, shine and great density. Chicklet, her very attractive friendly dam, is a Lionel daughter. She has given us 3 excellent female crias. Chickadee is bred to our co-owned stud, Amber Tucker of RFA Turk (an Ivano offspring). She is due in May 2010. Tucker has beautifully soft, shiny fibre, low micron, excellent handle and very good density. He did exceptionally well in the US and Canadian show circuit as a yearling and continued winning Grand Champion Color at the Alpaca Canada National Fleece show in 2008. What an impressive line-up of great genetics this cria will have. Chickadee will truly enhance a coloured breeding program.

# Aztec Virtue

Female Huacaya White D.O.B.: 07/16/01

16

Full Peruvian double registered solid white female. Virtue has amazing ability to keep low micron count. At 5 years of age her micron was 21.8. At 8 years her micron is 23.9. Very good Mom with lots of milk. Virtue comes from Hemingway's heritage. Virtue's crias take their quality after Mom. They do well in shows in both conformation and fleece. She is a very likeable, lady-like alpaca; very curious, trusting and easy to handle; and she has an excellent bite. Virtue is bred to Mountain View's Emperor (full Peruvian, multiple show winner) for May 2010 cria. Awards Received: 2nd place at Canadian National Alpaca Futurity 2003 under judges Amanda Vandenbosch and Bill Robbins.

# Aztec Zoya

Female Huacaya White D.O.B.: 06/18/03

*Aztec Zoya is a well bred, proven producer. She placed 1st in her class of juvenile white females at the 2004 CNASF Futurity and was Reserve Champion Female at Northlands 2005. She is bred to S.Accoyo Arctic Ice, a proven stud with a limited number of offspring. Arctic Ice has been the top money winning herdsire at both the 2008 and 2009 CNASF Futurities. The accomplishments of his offspring are available at [www.aztecalpacas.com](http://www.aztecalpacas.com) under Champions. Zoya's 2008 eria is Aztec Imperial an outstanding son of Arctic Ice. Imperial was second at the 2009 CNASF and his fleece was Reserve Champion fleece at the Old's Fibre Week fleece show. We plan to show Imperial at the fall show at Northland's, so come and see what Zoya produces. Her dam, Aztec Vironica, was a Grand Champion as a juvenile, is a Produce of Dam winner and has produced fleece show Champions and class winners. Zoya's sire, S.Dream's Zaccoyo, is a multi Supreme Champion. Zoya's 2010 eria is due mid May and will be ultrasound confirmed by sale time. She is an excellent mom with unassisted births, ample milk (average eria weight gain is 0.7 lbs/day for the first 30 days) low birth weight ( average birth weight 16 lbs. and average gestation 342 days) and has rebred with just one breeding for the past 3 years. Zoya is easy to handle, halters well and is one of those females that is trouble free and a pleasure to own. If you are looking to add quality and reliability to your breeding program, don't miss this opportunity.*

# RRR Rockabella

Female Huacaya White D.O.B.: 07/16/06

19

We are very proud to offer this incredible package! Bella sells with her 2009 female cria at side, is bred to our up and coming sire, RRAA Avrek, for a summer 2010 cria, and comes with our live birth guarantee. Bella has a very dense fleece with awesome staple length and coverage that produces an amazing shear weight each year. Her fleece is fine, with a soft handle and excellent character throughout. Bella's Dam, IAOC Rockzina is one of our top producers who still maintains a 24.4 micron fleece at 10 years of age. Bella's 2009 cria, Sulubell, is a solid brown Suliac Brew daughter. Sulu is the fusion of some of Canada's top alpaca genetics, Vaccoyo, Rockamundo and Lionel. RRAA Avrek is a white, Peruvian Captain Nemo son who has an exceptionally bright, dense fleece. Combined with Bella's already outstanding fleece genetics, we feel that this should produce an exceptional cria. Offering Bella was one of the hardest decisions we have had to make as she is truly one of our favorites. Her calm, easy going personality is an added bonus to this exceptional 3-in-1 package.

# BR Amazin

Female Huacaya Medium Fawn D.O.B.: 05/20/08

20

BR Amazin is a beautiful coloured young maiden with an absolutely wonderful soft handle to her fleece, density, fine crimp, and striking luster. She is a great-grand-daughter of one of the most well known males in the history of alpacas in North America: "Peruvian Legacy". On her dam's side, her grand-sire is well known "Peruvian Bonanza". Best of all her dam, "Bellana's Angel", is a multiple championship winner. In all of her competitions, she won Supreme, Grand or Reserve Championships. Amazin is showing the potential to follow in her dam's footsteps and carve a place for herself in the most prestigious of breeding programs. We are very proud to offer her for sale.

# Adventure's Feona

Female Huacaya Light Beige D.O.B.: 05/26/07

What an attention grabber this young bred female is! Feona is a strong-boned solid framed female, with a perfect bite, beautiful black eyes and great coverage. Her fleece is dense and fine with wonderful brightness, very good crimp, bundling and staple length. Feona is the daughter of award winning herdsire RGA Miguel, a Snowmass Legacy's Golden Boy son and Adventure's Mardi one of our better production females. Feona is bred to Eclipse BAR for a cria in late May, 2010 and will be ultra-sounded to confirm pregnancy. Eclipse BAR is a Kelowna Sundance Kid son and an Alpamayo grandson. The combination of this RGA Miguel daughter with Eclipse will be a winning combination! We are pleased to offer Feona for your bidding pleasure. This is an excellent opportunity to add this exceptional lineage to your herd.
