*W*elcome to our 3rd A.L.P.A.C.A. Odyssey Female Sale.

A.L.P.A.C.A. was established in 1996. We are an enthusiastic group of alpaca owners who collectively promote the Canadian alpaca industry, the well being of alpacas & the appreciation of their fibre. Our purpose is to create an environment for small and/or large producers with equal opportunities in today's ever changing market. Our club has a membership of approximately 40 farms.

We are proud to be offering 31 top quality female alpacas from consignors from the three Prairie Provinces of British Columbia, Alberta and Saskatchewan. These excellent females were selected by a selection committee for their conformation and fleece qualities . As you can see, there is a good variety of color to choose from. All alpacas will be veterinary checked for breed standard disqualifiers the day prior to the sale . They are also all guaranteed by the owner to be reproductively sound.

Last year our sale was broadcasted live, via internet, with Western Livestock Exchange www.wlex.ca and four lots were sold thru this process. We were very pleased with the results, so Mark Shologan from WLEX will be back again this year. There will be a parade of the sale alpacas at noon on Friday, October 31 and Mark will be broadcasting this live, so you can preview the animals prior to the sale. The sale time is set for 7 P.M. on Friday, October 31, 2008.

See you there.... but if you are not able to attend and would like to bid ,you may contact James Jarvis at 403-227-1469 or kjalpaca@telusplanet.net, by October 27, for phone-in bidding or internet bidding .

The sale is being held in conjunction with our annual A.L.P.A.C.A. Odyssey Show . This show is one of the largest in Canada and this year, by combining it with the sale, we are anticipating that it will be even larger than other years. There will be Halter classes, Get of Sire, Produce of Dam and Breeders Best 3 competitions. We are also giving out prize money to 5th. place as well as Championship classes.

Terms & Conditions

Hereinafter, the Alpaca Livestock Producers and Co-operators Association sales committee will be referred to as the "Sale Management".

1. *It is clearly understood that the "Sale Management" is acting only as an intermediary between Buyer and Consignor and is not responsible for any failure by either party to live up to its obligations. "Sale Management" assumes no responsibility, liability, obligation, duty, either singular or plural and make no warranties as to title, or quality including but not limited to health, blemishes, defects, soundness, or any other conditions of entry, and makes no other kind of warranty whatsoever.*
2. *Neither the Auctioneer, "Sale Management", or any agents make any representation or warranties whatsoever with respect to the sale alpacas. All representations contained herein are made by the seller only.*
3. *The sale and all transactions between the Buyer and the Seller will be governed by the laws of the Province of Alberta.*
4. *The highest bidder is to be the Buyer and if any dispute arises between two or more bidders, the alpaca in dispute shall immediately be put up again for advance bids. If there is no advance, the alpaca shall go to the person whom the auctioneer recognized as having the last bid. The auctioneer's decision shall be final. The auctioneer reserves the right to reject any or all bids. Bidding will be carried out in Canadian Dollars.*
5. *All information listed under "Consignor notes" is supplied solely by the consignor.*
6. *When an alpaca is sold, the Buyer shall sign the "Acknowledgment of Purchase" form. Title passes when a buyer signs the acknowledgment at which time all risk and responsibility for the alpaca passes to the Buyer.*
7. *All Alpacas will have been Veterinary inspected & will have a signed Pre-purchase form available.*
8. *Terms of the Sale are cash and payment in full must be made to the cashier immediately after the sale. Valid personal checks will be accepted with proper identification.*
9. *If any person shall purchase a lot and not pay for it as described above, the Auctioneer and/or the Seller shall have the right to resell the lot or, at their option, bring action for specific performance, in which event the buyer agrees to pay all costs of such suit and reasonable attorney's fees. In the event of resale, the defaulting Buyer agrees to pay all cost of resale plus price deficiency.*
10. *Every effort has been made to assure correctness of the catalogue, however the "Sale Management" is not responsible for errors or omissions. Any known corrections shall be announced at the sale. Prior to printing the catalogue, you will have the opportunity to proof read the information on your alpaca.*
11. *Statements made from the Auctioneers Box shall take precedence over any and all statements made in the catalogue.*
12. *Any person attending the auction does so at their own risk and no liability, duties, obligations, and/or responsibilities shall be imposed upon the "Sales Management" or Auctioneer for any accident, injury, mishap, theft, damage, and/or any other harm regardless of the source of imposition.*
13. *The Seller warrants that their alpaca is free from any encumbrances whatsoever.*
14. *The "Sale Management" reserves the right to withdraw any alpaca from the sale without liability to anyone.*
15. *All registration certificates will be withheld by "Sale Management" until all checks clear the bank. At such time they, along with the transfer fees will be sent to the appropriate registry.*
16. *Foreign buyers must contact "Sale Management" regarding quarantine and export of alpacas.*
17. *Canadian buyers planning to board their purchases until a later date, must make arrangements with the previous owner or the "Sale Management".*

We'd like to thank our valued consignors
 who have so generously offered their best alpacas to the
 3rd A.L.P.A.C.A. Odyssey Female Sale.

Saints Alpacas Miss Maharah

Maiden Female Huacaya White D.O.B. 08/06/07

Stop! Here is the first Aristocat cria ever offered for an auction. Leap up your breeding program with Saints Alpacas Miss Maharah. She has bright fleece, incredible density, high Frequency crimp (Mean Curvature 49.3). This little gal comes from some of Canada's top herdsires. Her Sire Tell Aristocat has won FIRST in his Juvenile White Male class at the CNASF 2005, out of thirteen entries. Aristocat went on to win GRAND CHAMPION WHITE MALE and was "runner up" for SUPREME CHAMPION ALPACA at the 2006 CNASF; the largest show in Canada. Aristocat has an awesome personality, great fibre coverage, good density and perfect conformation. Miss Maharah's Dam is the daughter the renowned Victors Vaccoyo; Victor's Vaccoyo is a full Accoyo macho who consistently transmits his phenomenal fleece characteristics of deep bold crimp and extreme density to his offspring. Victor's Vaccoyo is a renowned sire of show ring champions, both in the United States and Canada. Miss Maharah tested negative to BVD.

Maiden Female Huacaya Fawn D.O.B. 06/23/07

Miss Personality since the day she was born, that is Echo. She comes by it honestly because her dam and sire are the same way. She has a good conformation and a fleece that is dense with high frequency crimp and lustre. Echo comes with a great lineage going back to Hemingway, Victor's Vaccoyo, Peruvian Ivano. She is offered with a breeding to High Plains Apaches or VLA-NQA Commandor. Either choice should make for a wonderful addition to your breeding program.

AWC Michelina

Female Huacaya Fawn D.O.B. 07/25/06

AWC Michelina is being offered for sale with her 2008 male cria at side, who is sired by Amber Inquieto, a Snowmass Legacy's Golden Boy son. Inquieto is following in his fathers footsteps by passing on fine, bright fleecesand this little guy is no exception.

Michelina is conformationally correct, has a good bite and a soft handling fleece with medium density. She is an excellent mom, with plenty of milk. We are very impressed with what Amber Inquieto/ AWC Michelina produced this year, so to top off this package, Michelina is bred back to Inquieto for a 2009 cria.

Don't miss out on this opportunity to add these genetics to your herd.

We are pleased to have Birchleaf Jaslene selected into the A.L.P.A.C.A Odyssey sale. Jaslene has a good disposition, nice fleece, with perfect conformation and bite. As a bonus she's bred to our Futurity Black/Grey Champion, Birchleaf Nomad, A Hemingway Grand Son. We have 3 crias from Nomad this year, all girls. You can see them at www.birchleafalpacas.com. He has done an exceptional job, throwing to his phenotype. If you are looking to add color into your breeding program, take a close look at Jaslene. We proudly offer Vanilla for sale, showing the highlights of our breeding program. Her dam Karmel, is the grand matriarch of our herd who has produced a phenomenal number of females and is the dam or grand dam of many champions. Vanilla's sire is DEA Genayo, who was a champion himself and has sired many champions. With these genetics comes correct conformation, fine, dense fleece and very high frequency crimp. Vanilla has already produced a lovely female cria for us this year so we offer her for sale bred to DEA Eldorado, our 1/2 Accoyo multiple award winning herdsire, for a June 2009 cria. Vanilla attended 2 shows as a yearling, placing 5th out of 10 in the Keystone Alpaca Classic held in Brandon, MB and 7th out of 14 at the CNASF. Vanilla sheared 5.8 lbs of cria fleece and 8.4 lbs on the second shearing. This is a female who could be a good beginning for a new breeder's herd or an enhancement to an established herd. Vanilla comes with our usual farm guarantees.

Verinea is a darker fawn than Dara but still has the density, crimp, and fibre everywhere that is soft to the touch. Verinea will be bred this fall to MTL Cin-a-Man and comes with full breeding and health guarantee's. Cin-a-Man was chosen after seeing his cria's from this year ...we believe this will be a beautiful matchup.

Adventure's Ricci

Female Huacaya Light Fawn D.O.B. 07/02/04

We are pleased to offer ADVENTURES RICCI and her female cria - a win/win combination. Ricci's conformation is without fault, her light fawn fleece is dense with a very soft handle and medium crimp. Ricci has a quiet personality, is an attentive mother and has an abundance of milk. Her female cria is a knockout! She mirrors her sire, RGA Miguel who is a Snowmass Legacy Golden Boy son. Miguel has awards and ribbons from every show entered; halter fleeee and composite. His solid conformation, the fineness, lustre and crimp of his fleece are evident in this fine female cria. Another bonus, Ricci is bred back to Miguel for a May 2009 cria. This is a great opportunity to add these genetics color and quality to your herd.

As you can see from her photo, Shelan is very correct in confirmation with good density of bone and square frame. Following in the footsteps of her sire and her grandsires, her fleece is incredibly dense with a high frequency crimp and very good luster with extreme staple length. Of all of the herdsires in our program, PPeruvian Thunderbolt produces the most staple length in his progeny, especially up the neck area. Shelan has given us several cria with exceptional hybrid vigor and weaning weights. She has an abundance of milk, very good maternal instincts and a quiet personality which are all very essential to a successful breeding program. Her dam is dark fawn in color and Shelan produces color in her cria. Her 2008 male cria sired by Eclipse Alyst is medium fawn in color and we are retaining him for our breeding program as he is very nice and we feel he has herdsire potential. He displays a very high frequency lustrous fleece with matchstick bundles and will be in our 2008 - 2009 show string. We have bred her back to Eclipse Alyst for that reason and some lucky bidder will get to take her home!
